Farm Bureau to Back Gas Tax

LITTLE ROCK (AP) — The Arkansas Farm Bureau officials are working to get bureau members to back an increase in the gasoline tax of one cent per gallon.

They want the increase to finance Gov. Orval E. Faubus' promised road - building program.

Highway Commission Chairman Wayne Hampton said Wednesday that the commission would push for increases in vehicle registration fees and fuel taxes to the average of surrounding states to get more road revenues.

Meetings were held Thursday in Stuttgart, Monticello, Newport, Texarkana, Jonesboro, Forrest City, Clarksville and Fayetteville. A meeting was held Wednesday in Arkadelphia. Another meeting is planned for today at Marshall.

Faubus says he will submit to the legislature seeking a \$150 million highway bond issue during next month's session.

Chairman for Dimes Drive Named

"We feel that the TAP's are a sort of Peace Corps for kids who can't help themselves," said Andy High and Kathy Thrash today as they were appointed chairmen of the Hempstead March of Dimes Teen Age Program (TAP). Co-chairmen with Andy and Kathy are Lance Jones and Cathy Camp.

"We're talking about the children stricken with birth defects here in Hempstead and across the United States — 250,000 of them each year — who need help if they are to have any kind of future," they explained. Andy and Kathy said that the local TAP group, by organizing its own activities during January, can raise funds which will make it possible for birth defect children to receive expert treatment at the nearest March of Dimes-supported center.

This treatment, given by trained medical teams at all 50 March of Dimes centers now in operation, has already materially aided children who might otherwise have been permanently crippled, they said.

Funds raised by the TAP group, they added, will also go to support the far-reaching March of Dimes scientific research program whose goal is eventual prevention of birth defects where possible.

Teenagers have an added incentive for joining TAP, said the new chairmen. They will be helping to provide money which local chapters of The National Foundation-March of Dimes can use to offer Health Career Awards to young people. Under this program, high school graduates and college students can qualify for scholarships which will help them pursue careers in and occupational therapy and medical social work.

"Turn out for TAP," urged Andy and Kathy, "and let's show the old folks how to really put this March of Dimes drive over the top."

Sponsors of the Achievement Banquet were Hempstead County Home Demonstration Council, Southwest Electric Power Company, County Farm Bureau, and R.E.A.

Wife-Talk Is Really Most Powerful and Expensive Language in World Today

By HAL BOYLE
NEW YORK (AP) — There is a widespread belief that the most important language in the world today is English.

However, there is sin existence, a language that is even more powerful and expensive. It is wife-talk.

To become a real scholar of this widespread form of communication, it is practically necessary for the student to be two things: male and married.

The first thing a man has to learn about wife-talk is: It never means what it says. It has to be translated.

Wife-talk is made up of hint and innuendo, gesture as well as spoken word.

Another thing a husband needs to learn in dealing with his wife is never to take her oral expressions literally. Mystery between him and her begins at the altar and never ends. The rest of his life he will spend desperately trying to find out what the devil she is really trying to express.

They are having a meal together and she says sweetly, "Dear, won't you have some more steak?"

The recent bridegroom naturally thinks she is interested in his welfare and pleasantly replies, "Yes, sweetiepie, thanks, I think I will."

What he doesn't realize is that wife-talk is always couched in the form of indirect discourse and that what his bride actually meant was, "I'm starved, stupid — pass me the meat."

At a cocktail party she says of a blonde the men are clustering around, "Isn't her hair lovely?" What she actually means is, "Stay away from that dyed hussy, Buster."

She says wistfully on a rainy day, "If anything should ever happen to me, dearest, I want you to marry again and be happy." What she means is, "If you do, stupid, I'll haunt you forever."

Wife-talk, of course, requires an answering form of communication. This is known as husband-talk. It has been scientifically reduced to a single sentence.

No matter what a wife says, the wise husband invariably replies: "Baby, you said a mouthful!" This is the only thing he can say which is true. If he says anything else at all, he is bound to get himself in trouble.

ALC Lops \$4.5 Million Off School Budgets

LITTLE ROCK (AP) — The Legislative Council lopped \$4.5 million off the budgets of state institutions of higher learning Thursday, but fell short of its goal of trimming \$5.3 million from budgets supported by general revenues.

The council was \$357,071 short of its goal. More cuts will have to be made by the Arkansas General Assembly, which convenes Jan. 11, if budgets are to be put in line with anticipated general revenues.

The council held out hope Thursday that the cuts in the budgets of institutions of higher learning will be restored in the legislature.

The council adjourned until Jan. 7, when it will meet to wrap up some loose ends before the regular legislative session begins.

Perry County Rep. Paul Van Dalsem made the motion to cut college budgets. They asked for \$7.5 million additional each year of the coming biennium.

Van Dalsem said only \$3 million was available. He submitted a formula to give each school the same share of the \$3 million that had been requested of the \$7.5 million. Then he added a footnote asking the legislature's Joint Budget Committee to give first consideration to restoring the remainder of the \$7.5 million if additional general revenues appear.

He said Revenue Commissioner Orville Cheney has estimated that if the legislature enacts a withholding system for the state income tax about 65 million more in general revenues will be realized. This would be enough to restore the reductions in college budgets.

The motion gave each institution the same funds it now is getting, plus these allocations from the 65 million in new money:

—University of Arkansas (all branches, including the Medical Center) \$1,522,620.

—Arkansas A&M \$226,380.

—Arkansas A&M \$76,090.

—Arkansas Tech \$158,040.

—Arkansas State \$522,210.

—Arkansas State Beebe Branch \$6,990.

—Arkansas State Teachers \$192,720.

—Henderson State Teachers \$168,360.

—Southern State \$126,600.

The council approved reports of several committees, including recommendations that it sponsor legislation to outlaw strikes by state and school district employees and a constitutional amendment to separate administrative and judicial functions of county judges.

It refused to endorse another committee report which recommended a bill to exempt agricultural sedita from the state sales tax.

Convicted Spies Are Sentenced

NEWARK, N.J. (AP) — An American engineer and an Russian chauffeur convicted of conspiring to spy for Russia were sentenced to long prison terms today after again protesting their innocence in court. They could have received death sentences.

The engineer, John W. Butenko, was sentenced to 30 years imprisonment on the charge, and drew to five-year concurrent terms on other charges.

A 20-year sentence was imposed on the Russian, Igor Ivanov, on the espionage conspiracy charge. He also was given five years, to be served concurrently, on a second count.

In addition to the main charge, the two were convicted of conspiring to violate the law requiring registration of foreign agents. Butenko also was convicted of acting as an unregistered agent of the Soviet Union.

Saigon Alerts for Weekend of Trouble

By MALCOLM W. BROWNE
SAIGON (AP) — Saigon police went on a full alert today against the possibility of trouble over the weekend from both the Buddhists and the Viet Cong.

Buddhist sources said a monk might commit suicide by burning himself to spur the lagging Buddhist campaign to overthrow the government of Premier Tran Van Huong. This was the tactic used successfully against the late President Ngo Dinh Diem.

Sunday is the fourth anniversary of the official founding of the National Front for the Liberation of South Viet Nam, the political arm of the Viet Cong. While Viet Cong terror campaigns coincide only occasionally with important Communist holidays, it was felt the Reds might have major plans for this weekend.

Viet Cong propaganda activity in Saigon has risen sharply. Buddhist headquarters in Saigon, a dusty, sprawling compound of shacks, looked like a command post this week. Monks and organizers carrying brief cases rushed in and out; the jangling of telephones in the offices drowned out the temple gongs.

More than a dozen Buddhists reportedly have volunteered for immolation. Rumors said burnings might take place in front of the U.S. embassy, in front of the presidential palace or at a Buddhist headquarters.

A Buddhist spokesman said: "We may be forced to take extreme measures if the government continues its persecution."

At Buddhist headquarters leaflets were circulated summoning Buddhists Saturday for an all-night rally against the government. A Buddhist spokesman said a huge public hunger strike would be held at the headquarters Sunday, capping two such strikes in the past week by groups of monks and nuns.

U.S. Ambassador Maxwell L. Taylor conferred Thursday night with Premier Huong on the situation, but there was no word of what was said. One cabinet minister resigned under Buddhist pressure Wednesday. Three others reportedly have submitted their resignations, but Huong has refused to accept them.

Arkansas Gets Taste of the Cold

Arkansas got a real taste of winter weather today as a cold front which started across the state Thursday pushed low readings all the way to the zero mark at at least one point.

Beaver, which is just below the Missouri line in Carroll County, recorded zero, while Harrison had a one and Fayetteville's low was 3. El Dorado had a 22 for one of the highest minimums.

Brisk northerly winds made the frigid air even harder on Arkansans who ventured outside.

The cold front is expected to stay in the state, with a little warming Sunday.

Highs Friday ranged from the 20s to the 60s.

The Weather Bureau called for clearing skies and very cold today, with highs from 15 to 20 in the northwest to the 20s elsewhere. Lows tonight should range from zero to 10 north to near 20 in the south, it said.

Severe Cold Spreads Over the Nation

By THE ASSOCIATED PRESS

A severe cold spell gripped much of the nation today, plunging temperatures to below zero in a dozen states and adding snow and freezing rain to stricken areas.

Temperatures were below zero from Washington State to Wisconsin and south to Nebraska. Cold-wave warnings were in effect for a 15-state area from Texas to Ohio to Delaware.

Rain fell along a band from the Texas coast to New England. Freezing rain and snow extended from central Texas through Kentucky to the eastern Great Lakes.

In Montana, ranchers estimated livestock losses in the thousands of dollars and the National Guard helped clear snow-clogged roads.

A herd of 1,000 sheep wandering aimlessly in a blizzard crashed through the ice of a lake south of Miles City, Mont. Montana officials said 250,000 calves and 320,000 sheep suffered through the snow and cold in eight disaster-area counties.

December cold records topped Thursday, with 38-below-zero marks in Butte and Helena. It was 51 below in West Yellowstone, Mont.

Temperatures began a slow rise in Washington State, which has experienced one of its worst prewinter cold spells in history.

The restaurant atop the 600-foot Space Needle used during the World's Fair in 1962 was closed because fire escapes were covered with ice after water pipes burst from the cold.

The Weather Bureau predicted a 4-inch snowfall for the western part of the state and severe freezing rain in other sections.

More than 200 sheep perished in a blizzard in North Dakota Thursday when they jammed up against a fence in 30-below temperature and a driving wind. Some sheep were buried alive.

Neighbors and volunteer firemen helped a Flasher, N.D., family rescue a flock of 1,600 sheep.

A young Marmarth, N.D., Indian abandoned his car near Dickinson, N.D., where the vehicle plunged into a ditch. He removed his shoes to massage his freezing feet in subzero cold, then couldn't get his shoes back on. He walked four miles barefoot and was hospitalized for frostbite.

Extreme cold struck Nebraska, Southern Idaho, Utah, Michigan, Illinois and Wisconsin.

Delaware, in Michigan's copper country, reported 100 inches of snow for the season, the greatest amount recorded in the area in almost 85 years. Last year at this time, only 52 inches had fallen.

Cold weather, rain and snow hit the Northeast.

Sleet and freezing rain struck Northwestern Pennsylvania and a cold front dumped the temperature into the teens.

Temperatures were at the zero mark in northern New England.

Even the Southwest didn't escape the cold attack. The coldest December day on record occurred in Oklahoma City Thursday with a reading of 7.

20 Aged Persons Perish in Indiana Rest Home Fire

By JAMES R. POLK

FOUNTAIN TOWN, Ind. (AP) — Fire roared through a nursing home in bitter cold today in this central Indiana community, taking a heavy toll among the aged patients.

Fourteen bodies were removed from the smoldering ashes of the two-story wooden and concrete - block structure. One man died en route to a hospital and four persons were missing.

Heroic work of three attendants at the McGraw Nursing Home saved 15 patients, one of them burned critically.

The cause of the fire was not known immediately.

Nurse's aide Myrtle Donahue, taken with 13 patients to Major Hospital in nearby Shelbyville, refused treatment for smoke inhalation until she had told nurses which were diabetics or needed special treatment.

"None of them wanted to come out," said Paul Whittington, a volunteer fireman. "It was just too cold."

He said one elderly woman escaped from a front door in her night clothes, walked around the building and re-entered through a back door. Firemen found her in the kitchen. She was among the survivors.

Dr. Lucian Arata, Shelby County coroner, said 11 bodies had been recovered from the ruins and one man died en route to a hospital after he was found lying unconscious inside the front door.

The coroner said five of the dead, all women, were found in the concrete block addition. Others died in their beds.

Little was left of the structure but the walls. A Christmas wreath still hung on the front door.

One survivor was taken into a private home and another to Greenfield, Ind. The latter was reported in critical condition.

Sheriff Edgill Moore set up command headquarters in the home of William McGraw, owner of the home and whose son, William, operated it.

The sheriff and operators tried to compile a death list from their memories. The home's records burned.

A stairway fell shortly after the fire erupted, trapping all patients on the second floor.

A staff of two nurses and the operator of the home escaped. A nurse's aid, Fanny Wicker, in her 60s, said:

"The fire broke out apparently in a linen closet in a first-floor hall. We weren't able to reach anyone upstairs because flames immediately blocked the stairway."

"We smelled smoke, then Frances (the second nurse) saw it and screamed, 'Oh God, Fanny, there's a fire!'"

"One (patient) fell in the kitchen. I picked her up and dragged her out. I dragged three more out, then they wouldn't let me go back in."

British Delay 3rd Time War Debt Payment

By ARTHUR L. GAYSHON

LONDON (AP) — Britain announced today postponement of installment payments totaling \$175.8 million—due at the year-end—on postwar American and Canadian loans.

The action was disclosed by Chancellor of the Exchequer James Callaghan in this written answer to a House of Commons question.

"The government have decided to take advantage of the deferment provision in the financial agreements dated March 6, 1957, in respect of the 1964 installments and have advised the two governments accordingly."

Under the 1957 arrangement, the British have the right to postpone installments of principal and interest repayments on the loans. These installments then are to be tackled on the end of the period of the loan, which now runs to 2002.

Britain's seriously adverse trade balance is the reason for the labor government's decision to

The Rebecca Sunday School Class of the First Baptist Church will have a party for class members and their husbands on Tuesday, December 22 at 7:30 p.m. in the home of Mr. and Mrs. Dean Murphy. There will be a gift exchange for both men and women.

Cora Mae Auxiliary Meets

The Cora Mae Auxiliary of the Garrett Memorial Baptist Church met in the home of Mrs. Ray Turner, December 15, at 7 p.m. with each member bringing a covered dish to complete our menu.

Miss Gwen Frith gave the Prayer of Thanks. After a most delicious meal, buffet style, served in the dining room, the members were asked to go into the living room by the hostess, Mrs. Turner.

Mrs. Jewell Still had a small business session and then the group sang, "Silent Night" after which the program chairman introduced the speaker of the hour to bring the devotional. Mr. Ray Turner spoke on the subject, "Peace With God," using the letters in PEACE to represent different thoughts to think upon. His talk was thoroughly inspiring and was enjoyed by all.

Mrs. Still dismissed the program by prayer. Gift boxes were made to give to the needy families. Mrs. Turner's home was beautifully decorated for the Christmas season. Under a large bright lighted tree were the gifts of exchange for the 13 members present.

Christmas Party For Penney Employees

A Christmas party for the store personnel of the local J. C. Penney Company was held Saturday night, December 12 in the home of Mr. and Mrs. K.G. Russell. Pretty Christmas decorations were seen throughout the home where a delicious turkey dinner was served to the manager, Forrest Singleton, the employees, and their families.

After supper, the group exchanged gifts and enjoyed several different games. A total of 27 attended the party.

DeAnn Lilac Club

Mrs. Jewell Burke's home was decorated in red and green for the DeAnn Lilac Garden Club Christmas party on Tuesday, December 15. Mrs. C. R. Samuel was the co-hostess, and the pretty green Christmas tree was covered in red lights.

Mrs. Samuel read the Christmas story in Luke 2 and offered prayer. Members answered the roll call with "What Christmas Means to Me." Lovely Christmas music provided a pretty background throughout the party.

The group exchanged Christmas gifts, and the one who had wrapped the prettiest package was Mrs. C. R. Samuel. She received a prize. Mrs. Royal Stroud of Blevins was a club guest for the evening. The hostesses served spiced tea or coffee with Christmas dainties to 25.

Coming and Going

Mr. and Mrs. Bill Flanders and two children will leave Monday for West Palm Beach, Fla., where they will spend Christmas with the parents of Mr. and Mrs. Flanders.

Mr. and Mrs. John Robert Graves will arrive Friday from Springdale for the Christmas holidays with Mr. and Mrs. Royce Smith and Mr. and Mrs. Albert Graves.

DEAR ABBY

SPEAK UP NOW!

By Abigail Van Buren

Dear Abby: I am a confirmed coward and do not have the nerve to confront my husband with the letters he is receiving at his place of business from his ex-wife. She discarded him for her own convenience and when things did not work out for her she decided she wanted him back. In the meantime he had met and married me. I cannot prevent this woman from writing to my husband, but her letters begin, "My Darling, I received your letter," which means that he is writing to her, too. That is what is breaking my heart, Abby.

We have been married only six months and he professed to love me deeply, yet he continues to deceive me by corresponding with his ex-wife. Her letters are love letters, complete with lipstick prints over his signature. How can I let my beloved husband know that he is torturing me without admitting that I invaded his privacy?

Broken-Hearted Bride

Dear Abby: You can't. But don't let that stop you. Wait until you are both relaxed, unhurried and in the mood to talk, and then tell him exactly what you have told me. The next move will be his. And if he doesn't respect his marriage vows by forsaking ALL others, the next move is yours.

Dear Abby: A friend of mine had a bridal shower three weeks prior to her wedding. Right after the shower she broke her engagement. What should be done concerning the gifts? Thank you.

Wondering

Dear Abby: The gifts should be returned.

Dear Abby: I recently attended

Ouachita Takes Over AIC Lead

By THE ASSOCIATED PRESS

Ouachita College took over the Arkansas Intercollegiate Conference basketball lead Thursday night by virtue of most victories.

The Tigers dumped Harding College 89-74 at Arkadelphia for a 5-1 record.

State Teachers, which has a 4-1 record, plays Southern State tonight.

In the only other AIC game Thursday night, Arkansas College defeated Ozarks 77-54 at Batesville.

Ouachita took the lead early in the first half and never trailed. The shooting of Leon Clements (22 points), the AIC's top scorer, kept the Tigers out of trouble.

David Seward scored 17 points in the Highlander triumph as Ashley Whitman got 10 to pace Ozarks.

All the rescued patients were taken to Major Hospital in Shelbyville. None was reported in serious condition.

Fire units from a 25-mile radius rushed into this hamlet, 15 miles southeast of Indianopolis. About 50 firemen fought the blaze. The home was about 200 yards from the Fountaintown fire station.

Officials said most of the patients were from eastern Indiana. They said records were destroyed and it would take some time to identify the dead.

Firemen were hampered by lack of water. They broke ice on Brandywine Creek, a half mile east, to fill pumper trucks.

The survivors were taken to the hospital in ambulances and private cars that ringed the home to aid the injured.

NBA Players Not Hurting Each Other

NEW YORK (AP) - National Basketball Association players aren't going out of their way to hurt one another this season. That's the essence of a report of the NBA referees released by league President Walter Kennedy.

The 10 referees conferred with Sid Borgia, supervisor of officials, at their annual mid season meeting and Kennedy's statement followed. Ben Kerner, owner of the St. Louis Hawks, and Jack McMahon, coach of the Cincinnati Royals had been critical of roughhouse tactics they said were endangering players.

"It was the consensus of the staff," Kennedy said, "that the injuries sustained were the primary result of the fast-moving nature of the highly competitive games played thus far."

Oilers Sign an A&M Player

MONTICELLO, Ark. (AP) - The Houston Oilers of the American Football League signed Charlie James, Arkansas A&M's 240-pound tackle, to a professional contract here Wednesday.

James, of Van Buren, twice was named to the All-Arkansas Intercollegiate Conference football team. The Oilers, who finished last in the AFL this season, said they would give James a chance to play offensive guard and defensive end.

Terms of the contract were not revealed.

Former Arkansas Razorback fullback Danny Brabham is a defensive tackle with the Oilers.

Local Teams Post Victories in Tournament

By L. D. WRIGHT

A small crowd at Jones Field House saw both Hope teams score impressive victories as play was completed in the quarter finals of the Hope Holiday Tournament last night.

The Ouachita boys also won their game, defeating a strong Lockesburg team, while the Lewisville girls slipped past the Lockesburg ladies.

The Hope Ladycats started the night off by turning back a determined Ouachita girls squad. Shirley Smith kept the local girls ahead by consistently sacking set shots from out front. The score was knotted at the half, 28-28, but the Ladycats built up an eight point lead early in the second half which the managed to hold for the completion of the game. High point was Shirley Smith with 23 points followed by Phyllis Martin and Becky Lewis with 21 and 8 respectively.

In the second game of the night, the Lockesburg boys, considered by many the favorite to win the tournament, were upset by a scrambling Ouachita five. Both teams had better than average height and were able to move the ball well, but Ouachita managed to have control of the ball more.

Lockesburg earned a lead of 21-14 at half but they saw it dwindle into a 28-28 tie at the end of the third period. From then on it was Ouachita who gained a six point lead at one point and emerged the victory, 42-38.

In the third event, the Lewisville girls, defending state champions, knocked off an inspired Lockesburg crew, 51-47, to win their third game of the tournament. Landes led Lewis-

Celtics Take Rest During Travel Days

By THE ASSOCIATED PRESS

At the pace the Boston Celtics are moving in the National Basketball Association schedule, a travel day has become a day of rest.

The weary Celtics got that day of rest today while moving on to St. Louis for a Saturday night meeting with the Hawks, their fourth game of the week.

Boston had its seven-game victory string snapped Thursday night by the Knickerbockers in the "neutral" Rhode Island Auditorium in Providence. The Knicks beat the Celtics 113-112 for their first victory over the defending champions in five meetings this year.

Len Chappell scored three points with 32 seconds remaining to put New York ahead 111-110. And then a home town hero, Johnny Egan, combined with the veteran Tom Gola to pull off a typical Celtics' tactic, a steal, and Gola fed Egan for the basket that iced the verdict.

Madlock's Cagers Take 5th Straight

Madlock's Texaco Five, an independent basketball squad, kept its string going with their fifth straight win Wednesday night at Patmos by defeating a strong Henderson independent team 117 to 98.

Dennis Townsend was the top gunner for Madlock's with 32, Brint Odom had 29 and Dennis Polk scored 29.

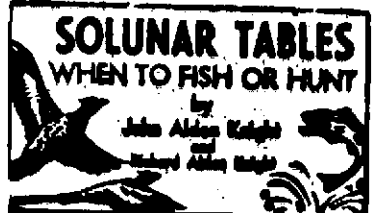

Gene Robinson was high man for Henderson with 25 points. Gus Robey had 18 and Loe hit for 15 points.

ville girls, defending state straight with 27 points while Dooley had 21 for the losers.

The last game held little excitement other than seeing just how high the second team Bobcats could run the tally. The undersized Bradley squad never threatened as they trailed the entire game. Coach Mitchell sent in the subs midway in the second quarter and few regulars saw action after that.

All ten Bobcats who dressed out, managed to hit the scoring column as Ramsey led Hope with a mere 12 points. The final score read Hope 70 and Bradley 44 in the only lopsided affair of the night.

The semifinals of the tournament begin Friday at 5:30 with the Spring Hill and Glenwood game followed by the Spring Hill and Ouachita boys meeting at 6:30. Then the Ladycats take on Lewisville at 7:30 before the Bobcats wind up the night by playing Guernsey at 8:30.

Barry Is Leading Cage Scorer

NEW YORK (AP) — Rick Barry, the New Jersey youth from Roselle Park who went south to play basketball for the University of Miami Hurricanes, is off to a good start toward his goal of becoming college basketball's No. 1 scorer this season.

Barry scored 55 points in Miami's opening game against Tampa, then reeled off 171 more against Duquesne, Pitt, LaSalle, Niagara and St. John's of New York for 226 points in six games.

This gave Barry an average of 37.7 and the top spot in the first weekly statistics released Thursday by the National Collegiate Athletic Bureau for games through Dec. 12.

Fred Hetzel of Davidson, who played in only three games, was close behind with an average of including 53 against Furman.

Mays Takes Hitting Title in National

CINCINNATI (AP) — Willie Mays, San Francisco's hard-hitting outfielder, captured the National League slugging championship for the fourth time last season, the official averages disclosed today.

Mays finished with a .607 mark on 351 total bases in 588 times at bat. The Giants' star also won the title in 1954, 1955 and 1957.

Mays collected 21 doubles, nine triples and a league-leading 47 homers among 179 hits in 1964. He also extended two NL records, highest career slugging average, .589, and most consecutive years, 300 or more total bases, 1.

Buffalo and Boston Down to the Wire

By JACK HAND
Associated Press Sports Writer

BOSTON (AP) — Buffalo and Boston come down to the wire Sunday in a big game for all the marbles in the Eastern Division of the American Football League. Buffalo, with a half-game edge, can clinch a Dec. 26 title date with San Diego by a win or a tie. Boston must beat the Bills to become the division champion.

After a sensational nine-game winning spree that carried them up to their first meeting with Boston as the only unbeaten team in pro football, the Bills have lost two of their last four. Boston snapped the string with a 36-28 victory, and Oakland also suspended the Bills two weeks ago.

Because Boston will be playing at home and also because Coach Mike Holovak has beaten Buffalo in six of seven games, including a tie playoff last year, the Patriots are slight favorites.

Boston came from behind to win the first game with Buffalo Nov. 15, scoring 13 points in the last period.

With the NFL season over, we go into the last week with a 90-31-9 record, 33-34-6 for the NFL

and 32-17-3 so far in the AFL. There is nothing at stake in the other three AFL games Sunday, but let's give it a try:

AFL
Boston 20, Buffalo 17 — Cap-pelletti's field goals decisive in bitter struggle between fierce rivals. Absence of Booker Ed-gerson leaves gap in Bills' corner defense. Much depends on the weather and the ability of Pats to close down on Gilchrist again.

Kansas City 35, New York 14 — Jets keep record intact of not winning a road game all season.

Oakland 21, San Diego 14 — Raiders want to get even for early 31-17 beating, hoping to salvage something from poor season. Chargers may be too busy looking ahead to next week's game with Buffalo-Boston winner to pay much attention to Al Davis' gang.

Houston 21, Denver 7 — Oilers close it out with another victory win after breaking nine-game losing streak last week.

Mexican Baseball Attendance Up

MEXICO CITY (AP) — The Mexican Baseball League broke all previous attendance records with 2,185,260 admissions during the 1964 season, officials announced today.

The Mexico n League has eight teams. Last year, with seven competing, attendance was 1,808,762.

Porkers Upset Highly Touted Phillips 66

LITTLE ROCK (AP) — John Talkington tossed in a jump shot from 12 feet out in the last second of play to give Arkansas a come-from-behind 72-70 basketball victory over the Phillips 66 Oilers here Thursday night.

The Oilers have been consistently Amateur Athletic Union powers. They led 41-30 at half-time.

Then Steve Rousseau and J. D. McConnell, who hit 15 and 17 points respectively, started Arkansas' comeback. The Razorbacks took their first lead of the second half at 68-67 on Rousseau's driving layup with 3:25 left.

Ken Saylor, the former Arkansas Tech star now with the Oilers, put in basket (he scored 16 points), Talkington hit for Arkansas, and Bobby Rascoe hit a free throw for the Oilers, tying the score 70-70.

Rascoe's second free throw attempt bounced off the boards and Arkansas controlled the rebound. The Razorbacks stalled the last 2:24 of the game. McConnell was the man picked to

try for the late field goal was covered, and pitched Talkington who sacked it buzzer.

The victory gave Arkansas 3-3 record after losing its three games.

THE SAGA OF THE HAPLESS HUNTER (or, Please Don't Shoot Toward Telephone Lines)

Our frustrated hunter, of course, didn't just fail to get the bird—he severed several telephone lines and interrupted some very important telephone calls. That's why we ask you—please—not to shoot at or toward telephone wires, cables or insulators. Suppose, for example, a circuit is broken by gunshot just as priceless military information

regarding the nation's safety is being transmitted, or someone is trying to place an emergency call—to a doctor, police, firemen or an ambulance—regarding the saving of a human life. Remember, too, that you could sever a line that is carrying information vital to the well-being of your own family.

For the budget buyer

This new, economy styled, Color Pack II (the Automatic 101) costs less! It makes the same post card size color pictures in 60 seconds, black and white pictures in only 10 seconds. The transistorized shutter makes perfect outdoor exposures for both color and black and white film. Indoors, the shutter can read the light and set exposure during the flash of a flashlight. The Color Pack II weighs less than most 35 mm cameras, loads in seven seconds, and has a new, simplified film selector. Best of all, it is the camera for the budget minded buyer.

For only a little more, you can own the most advanced camera in the world.
